

# The **NEW RANCHER** Camp

**\$997 (ALL INCLUSIVE)**  
**JULY 9-13, 2018**  
**MATHESON FARMS LLC**  
**BELLINGHAM, WA**

**New Rancher Camp** is a five-day intensive course for men and women who are interested in becoming farmers or ranchers. You will learn new skills and discover a holistic approach to farming, life, and land management.

**Your camp leaders** for this retreat-style hands-on camp are Sandra Matheson, DVM, and Doug Warnock, MS, of the Roots of Resilience team. Both have a lifetime of experience in agriculture.

## **THE NEW RANCHER SCHOOL CURRICULUM:**

- Basic farm skills, fencing, and facilities
- Animal husbandry and low-stress animal handling techniques
- Managing your farm or ranch for resilience
- Team work and building consensus
- Farm business management
- Leadership and creating positive change
- Monitoring your land

## **YOU SHOULD SIGN UP IF YOU:**

- Are considering a career in agriculture, but aren't sure where to start;
- Have taken ag-related classes, and now want practical experience;
- Are thinking about a career change to agriculture from another field; or
- Are just curious about farming or ranching life;
